

- **Name:** Claire Ishoy
  
- **Current Position on Council:** Interior Chapter Chair
  
- **Reason(s) for becoming involved with CSHP:**  
CSHP has supported my practice from the time I was a student, throughout my residency program, and today as a practicing clinical pharmacist. It felt like a great opportunity to give back some of what I have received from them!
  
- **Current employment position(s) & place of employment:**  
Clinical Pharmacist in General Medicine at Vernon Jubilee Hospital
  
- **Most memorable time in pharmacy:**  
My time in the pharmacy program at the University of Waterloo was really exceptional. It was hard but very rewarding to be involved in a brand new program. I learned so much and met amazing people there. It still stands out for me!
  
- **Alternative profession, if hadn't chosen pharmacy & if money wasn't an issue:**  
I've ridden horses my whole life. I always joked that if I failed my PEBC's I would become a trick rider! In reality, I love working in healthcare so I think I always would have done that in one capacity or another.
