

- **Name:** Gabriel Loh
- **Current Position on Council:** President-Elect
- **Reason(s) for becoming involved with CSHP:**
I have been involved with CSHP BC Branch since my days as an undergraduate pharmacy student when I was student liaison between CSHP and CAPSI. Since then, I have also served on BC Branch Council in the roles of Programs Chair and Treasurer. I believe that CSHP BC Branch is a dynamic organization that advocates for our pharmacy profession, particularly during these rapidly changing times in the healthcare system, and I am glad to be able to contribute.
- **Current employment position(s) & place of employment:**
Clinical Pharmacy Coordinator, Richmond Hospital
Clinical Pharmacy Specialist, ICU-HAU, Richmond Hospital
- **Most memorable time in pharmacy:**
I have been fortunate to have both trained and worked at both large academic sites and community hospital sites and to have experienced various aspects of hospital practice. I must say that it is the all the unique people whom I have trained and worked with that have made my career in pharmacy so memorable
- **Alternative profession, if hadn't chosen pharmacy & if money wasn't an issue:**
Orchestral Conductor
