

- **Name:** Winnie Bao
- **Current Position on Council:** CAPSI Jr. Representative
- **Reason(s) for becoming involved with CSHP:**

I am involved with CSHP because I believe that hospital pharmacists are essential in our community. I want to help current pharmacy students learn more about hospital pharmacy and opportunities and updates with CSHP.

- **Current employment position(s) & place of employment:**

2nd Year E2P PharmD Student at UBC

- **Most memorable time in pharmacy:**

My most memorable time in pharmacy so far is the first time I gave an OTC recommendation during my practicum. Earning a patient's trust in my abilities as a student pharmacist and my recommendations for the first time was an incredible feeling.
